Please visit the Narragansett Bay Commission (NBC) Watershed Explorer website at www.nbcwatershedexplorers.com and answer the following questions. Once you have answered all of the questions, either email them to Mrs. Morissette from the button at the bottom of the website **(please include your full name and teacher's name in the subject)**, or record the answers on this sheet and bring it in to give to Mrs. Morissette during any of her monthly visits with the class. This can be done from now until April. Students who complete the scavenger hunt will receive a small prize for handing it in.
